About Us

St. Louis and Stuttgart, Germany signed a formal Sister City agreement in 1960, thus making Stuttgart the first St. Louis Sister City.

We offer members a variety of special cultural, social, economic and sporting events.

Aside from its special events, St. Louis-Stuttgart is actively involved in the Sister Cities' mission. In the area of education we are helping shape tomorrow's global leaders by providing scholarships for study abroad to high school and university students.
