**German Heritage Corridor Tour for 10
at a mutually agreed upon date**

Missouri Humanities works closely with many partners to commemorate the rich German heritage of Missouri, most notably by establishing the German Heritage Corridor, a stretch of counties along the Missouri River—beginning in St. Louis City and ending in Lafayette County—with heavy concentrations of German settlements. This Corridor is full of historic sites, scenic landscapes, quaint German towns, and recreational activities just waiting to be explored. Join Missouri Humanities on a day trip exploring parts of Missouri’s German Heritage Corridor. The winning bidder will be awarded a tour for up to 10 people, including:

- Transportation and tour guide(s)
- Tours of multiple German Heritage sites
- Samples of Missouri German wine
- Complimentary Lunch for up to 10 people
- Copy (one per person) of Missouri Humanities’ book with Missouri Life, *Explore Missouri’s German Heritage*, a guide to prominent German sites, people, and themes within the German Heritage Corridor
- Copy (one per person) of *Little Germany on the Missouri: The Photographs of Edward J. Kemper, 1895-1920*, reprinted by University of Missouri Press with support from Missouri Humanities
